Dedication

On behalf of the entire student body at Pioneer, the Annual Staff takes great pride in dedicating the 1979 TORCH to a man whose care takes him far beyond his assigned duties.

Born and raised on a farm in Kentucky, he went on to attend the University of Kentucky, where he majored in English. After graduation, he remained in his home state to teach, but later "went West", and eventually found himself teaching in California — in the El Rancho Unified School District. Soon after, however, he heard Pioneer calling, and has since then been our school librarian.

And what a wonderful person he is! He never misses work, yet he still has time to fully enjoy life. He and his wife Betty share their home with their beautiful Schnauzer, Gretz, and five cats, though he is always willing to take in a needy stray. He has a great interest in sports and has ushered several USC football games. Also, he is crazy about crossword puzzles, especially those from the New York Times, and his home-grown roses are said to be simply exquisite.

For being our devoted librarian, and, well, for just sharing his humor and brilliance, the 1979 TORCH is dedicated to our friend.

The Senior Class Council of 1979

Last of the Red-Hot 70's

The Sensational seniors of 1979 were led by the outrageous Kevin Takishita in their never-ending search to display originality. Together with the other officers and council, the 79'ers sponsored the first-ever Ice-skating party at Polar Palace, the Valentines Day Jail, and a fabulous Disco Dance. Their spirit ended the decade with a bang!

SALIENT SENIORS!

California Scholastic Federation Life Membership is a difficult honor to attain. To qualify one must make CSF four times out of the final six semesters, with one of them being in the Senior year. By the end of the first semester this year, eleven Seniors had received this mark of excellence.

Kevin Takishita and Laura Barraza are Pioneer's Boy's and Girl's State Representatives. Kevin visited Sacramento last June and Laura will go this June.

Finally, Beth Klein is this year's D.A.R. Citizenship Award Winner. She has been extremely involved in our school and community and truly deserves this award.

The Yell Leaders Are One of a Kind in '78 and '79

The 1978-79 Varsity Yell Leaders worked successfully at raising school spirit at Pella. Led by Kathy Minge and Sharon Yokota, the Yell Leaders performed many new and interesting yells at assemblies and at competitions. They were busy all year long supporting all sports.

During the summer, they practiced and met to discuss new ideas for the entire year. They also attended a cheerleading camp where, on the final day, they received a "Superior" rating for their hard work and cooperation. The eight member squad was a combination of many different personalities, all of which contributed to their success as a unit.

Songleaders Do It for Kicks

The Pioneer Songleaders under the direction of head Janet Castro worked hard to achieve first place at camp.

They gained experience and placed each time they entered competition. This spirit-filled group gave great support and promoted enthusiasm throughout the year.

Flagsters Fire It Up in 79

The Varsity Flag Squad found hard work pays off by returning from camp with three first place trophies. Headed by Julie Dietzel and Co-head Lisa Watanabe the 78-79 flagsters will be able to look back on a most rewarding year.

Frosh-Soph Yelleaders Show Enthusiasm

Pioneer Frosh-Soph Yelleaders were very spirited this year. They performed at assemblies and were at various sports events supporting the teams. They were also involved in pep rallies. Their captain was Tracy Osmonson with assistance from co-captain Margaret Magana. They were under the leadership of advisor Judy Rivera.

Mighty Titan Band

1978-1979 was one of the best years for Pioneer High's "Mighty Titan" Band. The Marching Band also placed first at the Oceanside Christmas Parade. Other awards included third place at the Artesia Parade, a special award from the Los Angeles County Fair, and the lights out award at the District Jamboree. Spring semester saw the formation of a new Instrumental Ensemble, the Pioneer Chamber Ensemble.

Pioneer Titanettes — 1979

Upon returning from their trip to Hawaii, the Pioneer Titanette Drill Team started preparing for another successful year. The Titanettes, under the leadership of Tereza Reynoso, Vicky Perea, and Sheryl Stalcup, performed at the Pomona Fair, West Arcadia and Artesia parades. They, once again, received sweepstakes honors at both the Oceanside and Whittier Homecoming parades. The highlight of the year was being asked to perform for the Los Angeles Rams half-time show. The Drill Team put in many hours of practice, which resulted in a fine performance.

The Titanettes and advisor Miss Marilyn Littlefield are expecting another gratifying year in 1980.

Hello Out There

"Hello Out There" tells about the bad luck of an itinerant gambler who is arrested and jailed in a small Texas town, charged with rape. The charge is a lie, but the only one who hears his call for justice and understanding is a young girl who cooks for the jail. The gambler gives all his money to the girl before a mob breaks into the jail and the lying woman's husband shoots him.

Greg Holladay received an award for excellence in Acting at the Hondo Festival.

Deborah Sampson Lives Again

On November 3, 1978 in Miss Sheila Stephens' English 3 MGM class, an original play entitled "Deborah Sampson: Heroine of the American Revolution," was presented. The play, written as a part of a class project, was a fictitious account of a real Revolutionary War soldier, Deborah Sampson who disguised herself as a man in order to go to war.

The play was written and performed by Dawn Abraham, Laura Lenhardt, Donna Nelson, Julianna Perez and Theresa Petit.

Expanded Horizons Key to Awareness and Success

The Expanded Horizons Club, Folklorico Group, Parent Advisory Committee and Staff had a very busy and rewarding 1979.

Parental involvement in critical school and district issues was very evident this year. Fund raising activities by the Parent Advisory Committee and student club were very successful.

Support services which included numerous field trips, tutoring, college advisement, career awareness activities, and cultural activities helped to expand the horizons and goals of the students at Pioneer High School.

Varsity Shows No Respect Toward Elders

The Pioneer Varsity showed no respect toward their elders as they defeated the Pioneer Faculty with ease. Although the faculty caught on to some points, they did not gain enough to get back into the competition with the Varsity. The faculty had to settle for an upsetting score of 45-34 Varsity

Titans Advance in C.I.F. Playoffs

The "78" Varsity Football Squad captured second place in the wild Whitmont League with a record of 5 wins and 6 losses

The defense was the key to several Titan victories as they stopped offenses throughout the league

With help from such players as First Team All League Defensive Back David Gonzales and Second Team All League Players Leon Dodd and Art Arce, the Titan defensive squad was one not to be forgotten

The young offense had trouble scoring points at the start of the season, but as it progressed, they came together as a team and defeated highly ranked La Canada in the CIF championships. They then advanced to the quarter-finals against Paramount

Robert Mora, First Team and Chris Aranda, Second Team, also helped the Titans throughout the year on offense

Coach Estabrook and the rest of the staff were very proud and pleased to work with the Titan squad and hope that the "79" team will bring a great season for all

TITAN CROSS COUNTRY GAINS 6th PLACE IN C.I.F.

The 1978 Cross Country team proved to be one of the toughest groups of men and women. The team worked hard all season in order to perform well for the spectators. Early in the season the Titans started to grab hold of their strong season record of 8-1 for the Varsity, only losing to Montebello, and 8-0 for the Frosh-Soph.

The Varsity runners easily took a second place in the Whitmont League then advanced on to C.I.F. where they finished off the season taking a strong sixth place. In C.I.F. both Eddie and Frank Guzman were selected for first and second teams All League. "It was the first time that our team had qualified for finals and it was especially gratifying to place so highly. This year's team improved more than any other team I have ever coached," states head coach Tom Castro.

Leading the team were senior captain Eddie Guzman, James Gutierrez, junior captain, John Gutierrez, John Garcia, and sophomores Frank Guzman, Felipe Lugo, and Manuel Garcia. Also helping out the Varsity team were freshmen, Alfred Salas and Roman Cota. Prospects for next year are good, with returning lettermen Frank Guzman, John Gutierrez, Felipe Lugo, Alfred Salas, John Garcia, Manuel Garcia, and Roman Cota. Along with the Frosh-Soph Co-Champions, led by David Hernandez, Kenneth Martinez, and Arnold Yniguez.

The Frosh-Soph team surprised their spectators while performing in dual meets and invitationals. This was the year for the Frosh-Soph as they wiped out every team which came within its path and marked an impressive 8-0 record for the season. When the season came down to League Finals, this was not enough to tire out the team as they had to settle for Co-Champions, tying with Santa Fe. At the Mt. San Antonio Cross Country Invitational the Frosh-Soph team managed to take a first place in their race division, and each member received a medal.

... COMPETE IN C.I.F.

This was a good year for our Titans. A third consecutive three-night trip to San Diego, a second place finish in our Pioneer Tournament, and finally, a second place finish in a close Whitemont League race.

This was also a year that saw our team grow closer together. It was a year of "a mosts" as well. We were a whistle away from first place.

Pioneer played well over the long season. Our consistency took us to a second place finish in league play. Consistent play from Pioneer's guards, Vidal Arista and Ernie Magana were of primary importance. Mark Leonette's consistently strong play paved off in helping defeat tough opponents.

The tears shed at the conclusion of our CIF playoff game were not because we had lost, but because the season and fun was over... until next year!!

1954 Basketball Leaps High in League Competition

This year's Fresh-Soph Team started league play with high hopes after finishing a disappointing pre-season. Even though the team finished with a 5-9 league record they were very competitive in every game until the final moments. This year's team had a tremendous attitude and showed they were vastly improved by the season's end, only losing to undefeated league champion Sierra by 5 points. The team was led all year by the outstanding play of team captain Ricardo Garcia. The highlites of the year were big victories over highly regarded La Serna and Calhi

Fresh Soph Team

The year is 1979. The year that the Pioneer Titan Soccer Team would achieve the ultimate goal of high school athletic competition, a CIF championship crown. Under the direction of third year head coach Mario Muniz, and an established and reputable soccer program, the Titans emerged as the premier team in 1979 in the 3-A division.

1979 was also the year that one of the most fascinating prep soccer careers came to an exciting end. Anthony Carrillo, a four year varsity letterman, four year All-League, two year All-League MVP, two year All-CIF 1st Team, was named by the Citizens Savings Athletic Foundation as the Most Valuable Soccer Player in the CIF Southern Section. Carrillo finished his prep career with 38 career goals, second all time, and most goals in a single game of 5 against Basset High School. The year was also the that brought much honor and recognition to Pioneer, as seven members were named to the All-Whitman League team, three to the All-CIF team, John Duarte, Armando Carrillo, and Ernest Ferrel, 2nd team Mike Gerner, Ben Ferrel, and Ramon Duran. In addition, five Titans were named to the All-CIF 3-A team. 1st team Anthony Carrillo, MVP, Juan Duarte, and 2nd team Armando Carrillo, Ernest Ferrel, and Ben Perez. Also honored by the Citizens Savings Athletic Foundation was Titan coach Mario Muniz, who was voted by the Southern California Soccer Coaches Association as 1979 Coach of the Year.

It appeared as though the entire league was in to avenge the Titans for running away with the title a year ago, but the Titans ran away with their second consecutive title with a record of 9 wins and 1 loss.

CIF - ROLLERBALL The year was defeated by the Titans 4-2. They were unable to stop the speed and ability of the Titan offense.

ROLLERBALL - Game 2, the Titans defeated a resurgent Walnut team. The players demonstrated tenacity and balance by scoring 5 goals each by a different player, as the Titans went on to win 5-2 and advance to the quarter-finals.

QUARTER-FINALS Pioneer traveled to the San Fernando Valley to meet undefeated Alhambra High School. Titan Defense held Alhambra scoreless, Jose Duarte scored both goals as the Titans won 2-0.

SEMIFINALS The Titans then met the previous CIF champions, Calexico. Although the underdogs, the Titans defeated Calexico 3-2 in a very exciting game that went into sudden death after two scoreless overtimes. The winning goal was scored by Tony Carrillo.

FINAL Finally, the Titans traveled to Imperial College for the championship game against Kennedy. The Titans held off the Fighting Irish in the first half, took a 1-0 lead in the first half by Jose Carrillo. In the second half the Titans maintained their composure and turned Kennedy away empty handed. The game ended, and the Titans were the new CIF Champions!

FRUSTRATION Super frustration was caused this years Titan Soccer team to wind up with a 10-3 season record and share the championship with Monrovia. Although a relatively young team, the Titans made up for the lack of experience by utilizing a very talented six of soccer, which helped them to succeed. The players' coach, The Titans' support was led by freshman sensation Eddie Lee, who accounted for 2 of the Titan's goals. The Titan Squad is highly respected by coach Carlos Casillas for "sticking it out and showing a great desire to excel as teammates and soccer players."

TITAN SPRINTERS — CONFIDENT TEAM

Under the coaching staff headed by Tommy Castro, sprint coach Anthony Martinez, distance coach Michael Hernandez, field events coach Jamie Castro and Mike Chavez, and Julian DeLa Torre, the track team will once again build it's strength and work its way into league. Before publication date, the team worked on a 2-0 record beating Whittier and wiping out Monte Vista. The team consists of many well trained athletes who work hard and perform well. Sprint power for the team came from runners Nick Parker, Phil Liberati, Nick Deson, Gilbert Ortiz, James Gutierrez, and Mike Machado. Distance runners are Eddie Guzman, Frank Guzman, Ralph Prado, Steve Espinoza, and John Gutierrez. The Titans should rank high in the standings and should break through the stiff competition. This year's Varsity captains are Eddie Guzman, James Gutierrez, Loretta Jordan, and Pat Lopez. Fresh Soph captains are Roman Cota and Isabel Lopez.

Titan Baseball Estimates Strong Season

At publication time, the Titan baseball team had a bright outlook for the upcoming season. Six Seniors and eleven Juniors look forward to a promising season. The Titan team plays year round, entering 'An American Legion League' with a twenty-four game schedule in the summer time. They also play twenty-four games in school competition.

The outfield will be handled by quick and strong returning letterman David Gonzales, who hit .333 last season. Juniors Tom Padilla, Ben Jacobo, Mel Cazarez and Duke Limon infielders are also quick and have good range. Darryl Kauhola and John Pasillas are also playing first base. At second is Nick Perez and Art Alva. Gilbert Fragozo, Ernie Magana and Kenny Balder are playing short stop and are taking charge of ground balls. Perry Ullo, Dave Bird, Mark Tamayo are at third base. The solo catcher this year is Pete Edmunds, who is adjusting to the fundamentals very well. Our pitchers are David Gonzales, Mark Leonette, and Benny Jacobo. Also Kenny Balder who has a good curve ball. Coach Gonzales believes this year's team has a great attitude. With a few breaks and hard work anything can happen. Coaching this year was Head Coach Anthony Gonzales and assisting him was Ron Garcia.

Touch of the Future

Juliana Perez served as president of this year's Junior Class, and with the help of Faculty Advisor, Jeff Epstein, the Class of 80 had a very profitable year.

Activities included: the Homecoming Dance, candy sales, and car washes.

Late in May, the Juniors sponsored a very successful prom. It was held in the Embassy Ballroom at the Ambassador Hotel, and was the school's first dinner dance.

The True 82

The Freshman Class Council and Officers, under the leadership of Class President Kelli Hanney began raising money Nov. 17, 1978 with a bake sale to finance its activities for the next four years. With the help of their advisor, Mr. McDonald, they also held more bake sales, car washes, and sponsored a dance. In their first year at Pioneer, they contributed more than their share of enthusiasm and spirit.

District Trustees Make Crucial Decision

The passage of Proposition 13 and a steadily declining enrollment caused the District Administrator and Board of Trustees to close two schools. The trustees searched for a closure plan that would disturb the fewest number of students yet let them go to the high school nearest their homes. Fifteen other criteria for selecting the 2 schools were: Ethnic and socio-economic balance, number of students displaced, cost of operation, rehabilitation potential, geographical placement, community support, gang strife, busing required, age of school, and the cohesiveness of the school and community.

At a meeting held on Feb. 1, at Whittier Auditorium, each of the trustees took time to explain to the audience the reasoning behind his or her vote, and named his choice of schools to close. Sierra and Monte Vista High Schools were the two schools recommended by the District Trustees to close, and it passed by a 4-1 vote. John Lauritzen voted instead to close Pioneer and La Serna High Schools saying that racial balance should be the overriding factor in a closure decision. But closing Monte Vista and Sierra improved the ethnic balance of the district enough to satisfy any state or federal requirements.

New attendance boundaries were also established at this meeting.

Always Proud to Be a Titan

"Come Sail Away" is an appropriate theme for this year. Pioneer is completing its twentieth year of operation -- an appropriate time to think of the many graduates who have "sailed away" from our school to all parts of the world and entered into every possible occupation.

This has been an exciting year, with a great deal of apprehension about the possible closing of Pioneer. The Board of Trustees decided, however, to close Sierra and Monte Vista instead. Each of you should remember how Pioneer parents and students rallied together in support of their school. Certainly these efforts were influential in helping keep Pioneer open.

The Pioneer student body will change next year with about one-fourth of the students coming from the Sierra area; and it will not be long until the newcomers have become a smooth part of the Titan machine.

Pioneer will be having a new Principal next year; and there will, no doubt, be some changes made. I found that a principal can be a big influence on the attitude, environment, and program of a school. I have been very proud to have the opportunity, during the last nine years, to use my educational experience for leadership in this position.

At the end of this year, I, too, will "sail away" with the Pioneer graduates and take on different responsibilities in education. My twenty years at Pioneer have been very exciting, the heart of my productive life in education. We give and we get from every situation in our lives. I have given a great deal of my life to Pioneer, but I have received much in return from the vibrant, friendly, active students and the positive, supportive parents. To all of you, I say "Thank you! And my very best to you always!" Wherever I go, and whatever I do, "I am always proud to be a Titan!"

Administrators Express Pride in School's Achievement

The Administration Staff at Pioneer High School maintained almost every aspect of campus life

Mr. Torres coordinates all student activities and business affairs. Guidance is headed by Mr. Low who handles all matters concerning student counseling. Mr. Kimmick, in curriculum, supervises the class schedules, and directs the student teacher program on campus

The administrators work behind-the-scenes to keep a sense of unity and progress on the PiHi campus

Counselors Serve Pioneer Students

The students at Pioneer are fortunate to have a group of concerned people. The counselors are ready and willing to help with any problems that may arise.

This year Bonnie Panagos was added as a part-time counselor.

PiHi Crews Continue Doing Excellent Job

Pioneer is lucky to have a custodial crew that cares about our campus. They constantly strive to keep our school and shrubbery looking clean, and always set out the needed equipment for the various activities. Domingo Rodriguez is doing an excellent job in his first year as plant foreman.

The cafeteria crew is run smoothly by Mrs. Beverly Newell in her second year as manager. They work hard at preparing hot meals and snacks that the students can enjoy.

Elizabeth Fowler and Tony Luna are always meeting the needs of students in the Girl's and Boy's locker rooms. They are an important part of the campus crew.

Our three campus aids help the attendance office considerably by making sure students attend class and by supervising the activities on the school campus.
